Dear all Affiliated Clubs and Centre User(s),

Extension of Membership Benefit Scheme

In response to the Government's requirements in the wake of the resurgence of COVID-19 infections, Rowing Centres have been temporarily closed again since early January 2022 in order to maintain social distance to reduce the risk of a large-scale outbreak in the community.

In view of this, the HKCRA decided to respond and thank you for your staunch support and patience during this long wait. To ensure that our centre users can enjoy your privileges and rowing experiences to the fullest, the Association will automatically extend the validity of all existing memberships that originally expired on or after 31 January 2022 for 4 months by the number of days the Centres have been closed (7 January 2022 to 20 April 2022) beyond your original due date.

The Association sincerely wish to tide over the hard times together with everyone and demonstrate the spirit of rowing. After the epidemic eases, we hope to meet every rowing lovers again at the Shing Mun Riverside and regain the passion of rowing.

Stay safe. Stay healthy.

Hong Kong, China Rowing Association
