The 10th Hong Kong Rowing Coastal Championships Organizing Committee (OC) is closely monitoring the movement of Typhoon Saola and its potential impact on the upcoming event and we will make adjustments to the race arrangements based on the forecast and actual weather conditions.

All participants, teams, and spectators should follow the official announcements from HKCRA. Regular updates will be communicated through our official channels, including website, social media platforms and WhatsApp Groups.

Adverse weather arrangements are shown below.

For any specific inquiries or concerns, please don't hesitate to contact the HKCRA via [hkcra@rowing.org.hk](mailto:hkcra@rowing.org.hk) or 2601-1728.

- (2) **Amber Rainstorm Signal:** Racing will continue, subject to local conditions being safe.
- (3) **Thunderstorm Warning:** Racing may continue subject to there being no visible lightning or immediate threat in the vicinity of the harbour and the race course. If the Championships have to be rescheduled to a new date, an announcement will be made later.
